

08/26/2020

To Our Residents and Family Members:

In our ongoing communication with you during the COVID-19 pandemic, the **Brian Center Fincastle** continues to issue communication regarding the status of our residents and employees. On 08/20/20, our Center completed 100% testing on residents and employees. The **Brian Center Fincastle** is pleased to share that all results for our residents were negative for COVID-19, from this most recent round of testing. Additionally, we have received 95% of our employees' test results, in which all have been negative for COVID-19 so far. The Brian Center Fincastle will continue to provide updates as the remaining test results become available.

The safety and well-being of our residents and employees continues to be our top priority. We are doing everything we can to prevent the spread of COVID-19 in our building, including donning appropriate PPE. We continue to screen all employees and essential vendors prior to entering the building. In addition, we remain in close communication with local and state health officials to ensure we are taking all the appropriate steps during this pandemic. These steps are based on guidance from the Centers for Disease Control and Prevention (CDC) and the Center for Medicare and Medicaid Services (CMS) to reduce the spread and impact of COVID-19, such as:

- Enhanced infection control precautions
- Screening residents, staff, and essential visitors for expanded list of symptoms
- Restricting visitation and entry of people to the building
- Proactively testing staff and residents for COVID-19 based on current protocols
- Postponing communal activities
- Increasing PPE par levels
- And following CDC/CMS recommendations

We also understand that connecting with family members is incredibly important to our residents. Additionally, we encourage family members to connect with their loved ones through video chat, calling or facetime. We can also arrange for window visits. Please let us know by contacting Vanessa Wade at [Vanessa.Wade@kissito.org](mailto:Vanessa.Wade@kissito.org) or calling her at 540-473-2288 should we need to schedule this for you.

We need your continued help in battling COVID-19. Please visit the CDC website ([www.cdc.gov/coronavirus](http://www.cdc.gov/coronavirus)) to learn how you can help prevent the spread in our community.

This is a difficult time for everyone. We will continue to provide you with updates. Please know that we are adhering to guidelines from the local and state health departments, which continue to evolve as we learn more about this virus.

We know that you may have questions and we encourage you to contact our center. You can reach us at 540-473-2288, email me at [Mike.Grepiotis@kissito.org](mailto:Mike.Grepiotis@kissito.org), or visit our website [www.kissito.org](http://www.kissito.org).

Sincerely,

Mike Grepiotis

Chief Administrative Officer
